

STUDENT SQUARE APPLICATION

Festival Dates: June 12 & 13, 2010.

- Most student squares will be a 4' x 6' vertical format. If students are willing and capable of working on a larger format, please indicate number of squares and size below. (See Square Sponsor Application for square sizes.)
- Chalk is provided.
- Sponsors and artists are partners at the festival. Art created for each square represents the sponsor, so it is very important that the subject matter be something that the sponsor will consider a positive partnership. Sponsors would not like to see their name associated with images of violence, gore or major controversy. Youth in Arts must consider the sponsors' concerns in our selection process.
- No words or symbols intended as advertising may appear within the street painting image.
