Youth in Arts Artist Selection Criteria

1. The sponsors and artists are partners at the festival. The sponsor purchases the space on which the artist will create an image. Because the art created for your square represents the sponsor, it is very important that your subject matter be something that the sponsor will consider a positive partnership. Generally, sponsors do not like to see their name associated with images of violence, gore or major controversy. Youth in Arts must consider the sponsors' concerns in our selection process.
2. If you are selected as an artist for the 2008 Youth in Arts Italian Street Painting Festival, you must render the image you included with your application form. Any image change must be approved by Youth in Arts.
