Youth in Arts Artist Selection Criteria

No words or symbols intended as advertising may be included in your street painting image (the sponsor's name or message will be lettered at the top). Youth in Arts is a nonprofit serving children and families and the Italian Street Painting Festival is a public event for all ages. Artwork must be appropriate for a family audience, in the opinion of the Youth in Arts Artist Selection Committee. Additionally, sponsors and artists are partners. Because your art represents your sponsor, your subject matter be something the sponsor will consider a positive partnership. Generally, sponsors do not like to see their name associated with images of violence, gore or major controversy. If you are selected as an artist for the 2010 Youth in Arts Italian Street Painting Festival, you must render the image included with this application. Any change after submission must be approved by Youth in Arts.
