## Support local children's access to the arts... Sponsor a School!

Youth in Arts School Sponsors are local businesses, service clubs and other community organizations that sponsor student group participation in the **Youth in Arts Presents** series of live music, dance and theatre at the Marin Center. With school funding so uncertain this year, many schools have been forced to cut back on field trip budgets for the year. Your sponsorship will ensure today's students enjoy the excitement and learning value of a trip to the theatre, as so many other children have before.

Sponsorship fees provide for transportation and tickets. Youth in Arts works with schools to ensure sponsors are acknowledged in the school newsletter, so that parents and other community members know of your company's contribution. We will also acknowledge your support on our website, in print materials connected with the event and in on-stage announcements.

Youth in Arts will provide books or similar educational materials that you can give to classes you sponsor at a reminder of your gift to them. We will work with you to arrange a mutually convenient time for you to present these materials to each class. You are also welcome to attend the show and greet the students as they arrive!

Sponsorship fees:

- ★ \$600 – sponsor one class of any size (includes transportation)
- ★ \$1000 – sponsor 2-3 classes (depending on size) – a full grade level at many local schools!
- ★ \$2000 – sponsor 5 classes at any one school – a major field trip event.

You may select a school to sponsor—our staff will contact them to make all the arrangements. If you don't have a school in mind, we will connect you with a school that needs your help.

Sponsoring a school is a great way to show your support for local children and provide them with the unique experience a live performance offers. To participate, contact Jen Daly at 415-457-4878 ext. 18. Thank you!
