Youth in Arts®

Bring Multicultural Arts to Your School in 2013-14

Youth in Arts “Travel the World” programs offer visual and performing arts from around the globe, to introduce your students to the rich traditions of other countries and cultures.

Host a multicultural art day or an assembly performance. Bring artists into the classroom to enrich your curriculum. You can even involve students in a unique cultural exchange.

Available Programs

“Passport” Art Event – a full day of artmaking makes for a great schoolwide celebration of art and diversity. Students “travel the world” from station to station, learning from a diverse, multilingual team of artists. \$3300+ depending on # of students.

Residency Programs – in-class instruction customized to your needs. Over 30 visual and performing art forms from around the world available. Minimum commitment of 6 sessions in 2 classrooms. \$1100+ depending on scale of program.

Assembly Performances – music and dance from Africa, Asia, Europe and the Americas. Choose from over 25 different shows. \$500+ depending on performance selection.

“Passport” Workshops – one-session presentations by master artists in world art forms linked to grade level curriculum links. \$200+ per art form, depending on number of classrooms.

International Arts Exchange – your students create and trade wearable art items with children around the world. \$1000+ for a minimum two classrooms.
