### General Information about `Til Dawn

`Til Dawn is Youth in Arts' youth *a cappella* ensemble for students in grades 9-12. `Til Dawn celebrates the value of the arts, encourages positive messages about meaningful social issues, and inspires children of all ages. The group performs a mix of rock, pop, blues, jazz and soul standards and contemporary hits.

`Til Dawn rehearses twice a week at Youth in Arts in downtown San Rafael and maintains a year-round schedule of 30+ performances at schools, community events and charitable benefits. We typically go on three weekend-long retreats per year to strengthen interpersonal relationships in the group. Auditions are held in May for students entering 9th-12th grade. We are looking for people who want to learn about music, performing, listening and being a part of an ensemble.

`Til Dawn is an intensive performance group. We fully understand that your academic responsibilities take priority over your extracurricular activities. That said, we expect `Til Dawn to be your highest extracurricular priority. As a member of `Til Dawn you will be expected to (at minimum):

- Attend rehearsals twice a week;
- Attend the performances to which you commit;
- Attend retreats;
- Provide reasonable advanced notice of your inability to attend a rehearsal or a performance (6 hours notice for rehearsals & 24 hours notice for performances);
- Bring a day planner or calendar to rehearsal so we can schedule performances, retreats and other activities during the scheduling portion of rehearsal;
- Bring your music to rehearsal;
- Treat group members with the same kindness and respect with which you will be treated.

Monthly tuition for membership in `Til Dawn \$125. Scholarships are available and no student will be turned away solely because of inability to pay.

## **Audition FAQ**

### **When are auditions?**

Auditions are typically held in May. You can fill out an online audition form at **[youthinarts.org/til\\_dawn](http://youthinarts.org/til_dawn)** any time, but if it's not close to May, we'll put you on our email list to receive our next audition announcement.

### **I'm coming to audition! What should I prepare?**

Auditionees should prepare one minute of one song of any genre. It's probably better if the genre is pop, jazz, rock, R&B, gospel, folk or blues, though, since that's the stuff that we typically sing.

### **How long will the audition process take?**

This one is hard to answer. It's partially dependent on turnout, but we encourage you to be ready to stay until 10:30pm. Don't worry, though, rehearsals are never this late.

### **What is the audition process like?**

- **Step One:** Sing a song of your choice *a cappella*.
- **Step Two:** Pitch matching. We play a series of pitches on the keyboard and you sing them back on whatever vowel you want.
- **Step Three:** Sing a background part in a quintet/sextet with 'Til Dawn. We teach you a background part to one of our songs and one by one each auditionee comes in and sings it with a quintet/sextet.

### **Should I bring a resumé or photo to the audition?**

We don't need a resume or a headshot. We take a digital photo to remember you by.
