RISING STARS

The 28th Annual Marin County High School Art Show

The 2019 RISING STARS Marin County High School Art Show will be held this year from February 3–March 29 at the YIA Gallery in downtown San Rafael.

This juried exhibit is open to all public, private and alternative high schools in Marin County.

Best Painting 2018, Daniel Jackovics

High school artists from each school will be nominated for the exhibition. Prizes will be awarded in multiple categories by local professional artists; in April, the show will travel to Marin Center in San Rafael.

Rising Stars was founded by artist Susan Diglioni in 1991. She believed youth should be recognized and awarded for their talents. We are pleased to host this year's 28th anniversary event at YIA gallery, one of the only galleries in the nation dedicated to celebrating youth artists.
